## How to book

Public class: pick a date and pay securely online. Onsite: request a quote with your address and group size; we confirm the date, invoice you, and book the facilitator once payment is in. Certificates are issued once delegates are found competent and we have their ID copies.

Prices from DDi's 2026 rate card, valid until changed. Public classes are invoiced by Family First Aid, which is not VAT registered, so the seat price is the full amount. Prices for other provinces on request.
